CoxHealth Medicare Advantage (HMO) Provider Directory

Section 1--Introduction

This directory provides a list of CoxHealth Medicare Advantage (HMO)'s network providers.

You will have to choose one of our network providers listed in this directory to be your Primary Care Provider (PCP). Generally, you must get your health care services from your PCP. You have a network PCP who is provider and overseeing your care.

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory. CoxHealth Medicare Advantage (HMO) does not require referrals; however, some providers such as specialists, hospitals, skilled nursing facilities, or home health care agencies may require approval in advance from your network PCP to use their services. This is called giving you a Referral. Referrals from your PCP are not required for emergency care or urgently needed services.

You must use network providers except in emergency or urgent care situations or for out-of-area renal dialysis or other service. If you obtain routine care from out-of-network providers, neither Medicare nor CoxHealth Medicare Advantage (HMO) will be responsible for the costs.

This directory provides a list of CoxHealth Medicare Advantage (HMO)'s current network for the Missouri counties of Barry, Christian, Greene, Lawrence, Stone, Taney and Webster.

How do you find CoxHealth Medicare Advantage (HMO) providers that serve your area?

In this directory, our network providers are organized by State, County, City, Specialty and alphabetically by Provider Name. For example, to find a Primary Care Provider in the city of Cassville, locate the Primary Care Providers section of the directory, find the PCP specialty you want (i.e., Family Practice, Internal Medicine) and look for Cassville. To find a specialist, in Christian Count go to the Specialists section and look for Christian County and then the specialty you need (i.e., Cardiology, Urology, etc.). Hospitals and other facilities are listed by facility type.

If you have questions about CoxHealth Medicare Advantage (HMO) or require assistance in selecting a PCP, please call our Customer Service Department at 1-855-752-3796, October 1 through March 31st, 8am to 8pm, 7 days a week and April 1 through September 30th, 8am to 8pm, Mon-Fri. TTY users should call 711. You can also visit <https://coxhealthmedicareadvantage.com/find-a-physician>.

Appointment Wait Time Standards:

- * Urgently needed services or emergency-immediately;
- * Services that are not emergency or urgently needed, but the enrollee requires medical attention-within 7 business days; and
- * Routine and preventive care-within 30 business days
